Dear Mr. Prince:

Re: Bond Reduction Request, Geokinetics, Seep Ridge Project,  
ACT/047/022, Uintah County, Utah

This letter is to request that the present bond in the amount of \$150,000.00 held by the Division of State Lands and Forestry for the Seep Ridge Project be reduced to \$93,425.00. Attached is a Memo to File from Division of Oil, Gas and Mining Reclamation Engineer Pamela Grubaugh-Littig, documenting the site visit recently conducted by DOGM staff. The site visit confirmed that the work outlined in Mike Leka's letter of November 10, 1986 (copy attached) had been completed.

Thank you for your prompt attention to this matter.

Sincerely,

Lowell P. Braxton  
Administrator  
Mineral Resource Development  
and Reclamation Program
